Designer:
K4 a.s.

New build administrative and storage facility in Vyskov for BKR CR, s.r.o., a subsidiary company of VELUX, a skylight window producer.

Bovis Lend Lease as a Construction Manager has been responsible for:

- Document control system
- Tendering including contracts' preparation
- Construction works coordination and management
- Quality management
- Cost and schedule monitoring and control

Within the course of the whole construction there was enormous emphasis done on keeping the work safe and care about the protection of health at work in compliance with all regulations as well as emphasis was put on keeping deadlines and high quality of handed over works and deliveries.
